

**15th December 2024**

Dear Parents/Carers,

Our Reception Nativity performances this week officially marked the start of Christmas. All three classes were delightful. Thank you to the reception team for the hard work that went into creating such polished performances from four year olds! We arranged two Christmas performances for the children: Cinderella at NLCS and The Emperor's New Clothes at school, Year 3 visited the National History Museum and our football teams celebrated winning success in their league matches. Our Parent Workshops have continued with Y5 and Y6 inviting parents into class to learn how maths is taught at Stanburn and feedback from parents has been very good.

Our final week is full of fun. We have arranged festive sing-alongs for the children, Christmas Lunch with festive jumpers on Wednesday, Class parties on Thursday and don't forget the PTA Winter Fair tomorrow.

Learning is still continuing all week, so let's keep our attendance high in the final week of term.

See you tomorrow at the fair.

*Ms D'Souza*
