

24th November 2024

Dear Parents/Carers,

I have to thank Miss Raine for organising an amazing Parliament Week. The children learnt so much from preparing speeches, listening to their peers' proposals and finally voting last Wednesday. I can't wait to find out who our new parliament members are and what their first course of action will be.

Our drive this year to increase parental involvement in school has been very successful so far. The workshops for parents in Lower School have been well attended and last week, many reception parents told me how much they enjoyed the new 'Stay and Play' sessions. Thank you to our reception staff for being brave and allowing parents to watch them teach.

Next week is a fairly quiet week to allow staff to focus on Parent Consultations, although once we hit December, we have a lot of exciting events planned!

Thought for the week: On Friday, one of the Head's Honours pupils chatted to me about he has really improved his spelling. I asked how he did it and he said by practising, practising, practising! It is a good lesson for us all to remember; that in order to achieve what we want, we have to work at it.

Enjoy the rest of this very windy Sunday.
Regards

Ms D'Souza
